

# SUMMER TECH CAMPS

## WeDo Robots 2.0

June 18, 19, 20  
1:30-5:30 p.m.

5-8 year old campers will learn how to build and program robots culminating in a camper created robot competition.

Tuition: \$120

## Coding Campers

June 25, 26, 27  
1:30-5:30 p.m.

8-12 year old campers will learn how to write code to solve problems, create challenges and create a simple game.

Tuition: \$120

## EV3 Robotics

July 16, 17, 18  
1:30-5:30 p.m.

Campers 8 and above will learn how to build and program Lego EV3 robots to make strategic moves and complete simple to hard tasks. Tuition: \$120

**Camps are held at the CSI Blaine County Center.**

A healthy snack will be provided. A limited number of partial scholarships are available.

**Register through CSI**
