Adult Basic Education

Basic level courses in math, reading, writing, grammar, vocabulary, and spelling are offered to ensure that you have the skills necessary for your chosen career or course of study. These same courses are offered at a developmental level which is needed to raise existing skills to a college-level competency. Students are placed in academic skills courses at various levels based upon results of the CSI placement test. These services are available at no cost to out-of-school youth and adults 16 years old and older. For more information and for classes offered in Gooding, please call 732-6534.

English Language Acquisition (ELA)

This program helps students improve their ability to speak, to read and to write English. These classes are offered in Wendell at no cost to those 16 years or older. For more information, please call 732-6534. Español: (208) 732-6527
The sky’s the limit when you

S.O.A.R.
Student Orientation, Advising & Registration

S.O.A.R. is a program that is required for all students who are new to college and are degree seeking. All recent high school graduates must also attend S.O.A.R., even if you took dual credit college classes while in high school. S.O.A.R. is designed to introduce you to the essential tools for success at the College of Southern Idaho.

For details, contact us at 934-8678 or e-mail northsidecenter@csi.edu.
Stained Glass Construction
This class in beginning stained glass will teach techniques needed to construct a flat panel stained glass project using the copper foil method. Students will learn to choose a pattern, pick the appropriate glass, score and break glass safely, soldering techniques and finishing. This course will benefit beginners and is appropriate for experienced students wanting to work on existing projects. Students will be required to furnish or purchase their own tools and supplies (average cost is approximately $150). Glass grinders will be furnished by the instructor.
Wednesday Oct. 5 to Nov. 16
6:30-9 p.m. $75 plus supplies
434 11th Ave. West, Gooding
Instructor: John Zimbelman

Know Your Diamonds & Gemstones
Are you planning to buy diamond or semi-precious gemstone jewelry for Christmas gifts? Educate yourself first! Jeweler Kent Seifert will take you through a brief history of diamonds and explain the “four Cs” of diamond quality used to determine value. You’ll explore the differences between precious and semi-precious stones and experience how a refractometer is used to identify various gemstones. The second class session is “gemstone identification night.” You and your classmates will evaluate diamond and gemstone jewelry that you bring to class. By the end of the course, you’ll have confidence in identifying and purchasing diamonds and gemstones.
Monday, Tuesday Nov. 7 & 8
6-8 p.m. North Side Center
$25 Instructor: Kent Seifert
Self Defense for Women
This common sense approach to self-defense teaches you how to be aware of your surroundings and not look like a victim. Learn to avoid trouble when in unfamiliar areas such as parking structures and buildings and how to listen to your “sixth sense.” You’ll also learn techniques to use if you find yourself in a self-defense situation, including using pressure points and leverage, striking and blocking, escaping from holds, using personal items as weapons, and more. Instructor Gary Phelps has over 40 years as a self-defense instructor and martial arts sensei.
Saturday               Oct. 22
9 a.m.-noon              North Side Center
$25                    Instructor: Gary Phelps

Advanced Woodworking
Learn advanced woodworking skills while creating beautiful and artistic projects that will last a lifetime. Instructor Bill Perry will inspire you to perfect your skills with both power tools and hand tools as you complete your individual project. Operational procedures and safety of equipment will once again be emphasized. This class is for individuals who have taken the Introduction to Woodworking class and are ready to utilize their skills in a more advanced environment. Materials will be available for purchase at class.
Wednesday              Sept. 14 to Nov. 16
6:30-8:30 p.m.          $125 plus materials
Gooding H.S. Vo-Ag Shop
Instructor: Bill Perry

Enhanced Concealed Weapons
Get informed and learn what your rights are when it comes to carrying a gun. This preparatory class, instructed by Sgt. Dave Kiger, will cover the gun laws in Idaho, responsible firearm ownership, and safety issues. Four hours of practical instruction at the shooting range on Saturday will emphasize trigger control, target alignment, and holster requirements. You must furnish your own gun that is in compliance with concealed weapon laws, along with ammunition, safety glasses, and ear protection. Upon successful completion of the class, you will be provided with a Certificate of Completion and all the forms you need to apply for a concealed weapons permit at the sheriff’s office. Please do not bring your firearm onto the CSI North Side Center campus. Students must be age 21 or older to participate.
Tues., Thurs.  7-9 p.m.       Oct. 4 & 6
and Sat.          1 to 5 p.m.             Oct. 8
North Side Center                            $79
Instructor: Dave Kiger

Conversational Spanish You Can Really Use
Do you want to learn basic Spanish that you can actually use? This conversational Spanish class focuses on realistic vocabulary and will give you the confidence to start a conversation with Spanish speakers. The topics the class will cover are asking and answering questions using vocabulary such as the family; colors and numbers, including money, time and measurement; and much more. Join us once a week and open the door to a whole new culture.
Monday                  Sept. 12 to Nov. 14
(No class Oct. 3)
6:30-8:30 p.m.          North Side Center
$99        Instructor: Jeny Black-Pavkov
Sculptures...that Move
Sculptures that move are simply sculptures that incorporate some type of motion or moveable component. They may be realistic or abstract in nature, free-standing or hang in the air like a mobile, and will interact with the surrounding air and space. Explore the possibilities of creating sculptures that move using any variety of materials such as objects found in nature, household items, or other miscellaneous materials you find in your attic, basement or other places. Your imagination is the only limit.

Thursday Oct. 6 to Nov. 10
6-8 p.m. North Side Center
$99 Instructor: Lynn Vanhoozer

Design Your Own Fabrics
Personalize your own fabric with your favorite colors and patterns. It can be hard to locate the perfect fabric for projects like quilts, curtains, furniture, and clothing. Look no more! Learn how to make stamps from a variety of household materials to create designs and textures. Please bring an apron and gloves, and an old iron if you have one, to class. All supplies are included in the course fee.

Tuesday Sept. 20
6-9 p.m. North Side Center
$55 Instructor: Elizabeth McCabe

Over 60 & Getting Fit
This award-winning program emphasizes walking as low-impact cardiovascular movement along with stretching and resistance training. It is geared to serve older adults with varying levels of abilities. This class is for those age 60 and older and is offered at no charge.

Gooding
Mon., Wed., Fri. Sept. 12 to Dec. 14
9:30-10:30 a.m. Gooding Rec Gym
Instructor: Holly Adams

Jerome
Mon., Wed., Fri. Sept. 12 to Dec. 14
9-9:50 a.m. Jerome Rec. Ctr.
Instructor: Amy Worthington

Shoshone
Mon., Wed., Fri. Sept. 12 to Dec. 14
9-9:50 a.m. Shoshone H.S.
Instructor: Kathleen Tanaka

Hagerman
Mon., Tu., Thu. Sept. 12 to Dec. 15
9-9:50 a.m. Hagerman H.S.
Instructors: Nancy Gossi & Tiffany Clausse

Call us at 934-8678 for more information.
CAREER DAY

Job Seeking Skills Workshop       9-11:30 a.m.
Maximizing your marketing tools to help you navigate the job search process to your best advantage. Workshop includes: applications, résumé writing, cover letters, interviewing skills, and follow-up communication.

Career Exploration Workshop      1-3:30 p.m.
If you aren’t sure where your future is heading, we can help. CSI Career Services offers free Career Exploration guidance as well as access to MyPlan.com, an online assessment and exploration tool.

Fri., Sept. 23 at the North Side Center
Call 934-8678 or e-mail northsidecenter@csi.edu to reserve your spot.
Individual appointments will also be available on request.

Windows 10—What’s New
Have you just upgraded to Windows 10? Did you really have a choice? Come and learn how to navigate Microsoft’s newest operating system. In this course you will be introduced to what is new on your desktop. Explore the new Start Menu layout, discover new locations for your important system settings and take a look at Edge, Microsoft’s browser replacement for Internet Explorer. In addition, instructor Randy Bow will discuss Microsoft’s App store and new ways to find the computing tools and resources you want and need.

Wednesday        Sept. 14 to Oct. 5
6-7:30 p.m.        North Side Center
$49          Instructor: Randy Bow

Avoiding & Recovering from Disaster for Windows or for Apple Users
There are two types of people who use computers: those who have lost important files...and those of us who are just about to! If you use a Windows computer regularly, or you have a Macbook, iPhone or iPad, you are probably carrying around a lot of treasured memories and information important to your day-to-day life. In these courses, instructor Randy Bow will help you prepare for the worst and then be ready to recover if (when!) it happens, whether you use Windows or Apple.

Windows
Come to the North Side Center computer lab to learn the ins and outs of basic backup and recovery for Windows 10. Still have Windows 7? No problem! The same tools and resources will apply and care will be taken to discuss the minor differences.

Monday          Oct. 31 to Nov. 14
6-7:30 p.m.        North Side Center
$39          Instructor: Randy Bow

Apple
Bring your Apple mobile device to the IeSDB technology training center to learn the ins and outs of basic backup and recovery.

Wednesday        Nov. 2 to 16
6-7:30 p.m.        IeSDB, Gooding
$39          Instructor: Randy Bow
CSI Jerome Center has expanded its services!

The Jerome Center can assist you in the admission process, registering for CSI courses, making payments, placement and other testing services and more. Please call the Jerome Center for more information.

**Community Education classes in Jerome**

**Creative Photography for Beginners**
This class is for new photographers wanting to learn more about the basic features of their own camera, whether digital, point and shoot, or DSLR. Using the fundamentals of creative photography, students will discover how to confidently take better photos that blend function and inspiration to create frame-worthy photos that captivate the imagination. Learn how to use unique camera settings, lighting, and composition to get the “perfect shot” in this special 8-hour course taught by the owner of ASH Photography.

Mon., Wed. Oct. 17 to 26
6-8 p.m. North Side Center
$69 Instructor: Al Hagen

**Creative Photography**

**Dog Obedience**

Discover the many benefits and joys of training with your dog. Training will enhance the bond between you and your dog. Dogs who have a solid obedience education are a joy to live with; they respond well to household routines and have good manners in the presence of people and other dogs. You and your dog will learn the 10 Steps from the AKC Canine Good Citizen (CGC) Program, designed to reward dogs who have good manners at home and in the community.

Mon., Wed. Sept. 7 to 28
7-8 p.m. Gooding Co. Fairgrounds
$55 Instructor: Brittany Triner

Call: (208) 934-8678 or (208) 732-6461

Don’t miss out—enroll today!

CSI Community Education Policies:

CSI Community Education classes are held based on the number of students enrolled. The decision to cancel a class, prior to its beginning, is based on the number of persons pre-registered and paid. Students will be notified 24 hours prior to the first session if a class is cancelled.

Payment is expected at the time of registration. Course instructors are not permitted to accept payment for registration fees. Supply fees must be paid to the instructor directly, during the first class session; please have a check or cash ready for them.

If you need to drop your registration from a Community Education class, please contact the North Side Center at (208) 934-8678 or Diane Gause at (208) 732-6442 at least 48 hours prior to the first class session. A refund for any tuition paid will be sent to the Business Office for processing and you will be mailed a check within two weeks.

If you have an idea for a class, or would like to recommend an instructor, please contact the North Side Center at 934-8678 or northsidecenter@csi.edu. We appreciate any input that will improve our program.
