Credit Courses

Register for North Side credit courses in person at the North Side Center, at the Matrix, located on the first floor of the Taylor Administration Building in Twin Falls, or online at www.csi.edu. A full listing of all CSI courses is also available online.

Do you want the information but don’t need the credit? If you don’t want to worry about tests or grades, tell us when you register that you want to audit the course. (Same course fee applies.)

*Students age 60 and older enrolled in credit courses—your tuition is FREE!! *

*(Textbooks not included.)

Introduction to Financial Accounting
This course stresses the use of financial information in making investment and business decisions. The course covers the primary elements of the financial statements, fundamentals of accrual accounting, a study of internal control and cash safeguards, accounting for inventories and fixed assets, the presentation and use of the statement of cash flow, and the fundamentals of long-term liabilities. The course emphasizes the uses of accounting information rather than the preparation of financial statements. Prerequisite: MATH 108 or 123

ACCT 201—N01V
Mon., Wed. June 7 to July 28
6:30-9:50 p.m. North Side Center
$400 plus books 4 credits
Instructor: Dennis Heiner

Medical Terminology
This course is designed to introduce the student to the fundamentals of medical terminology. It includes word structure of basic medical/surgical terms and procedures, body parts and organs, selected medical specialties, and commonly used medical abbreviations.

ALLH 101—N01V
Tue., Thu. June 8 to July 29
11:30 a.m.-1:20 p.m. North Side Center
$200 plus books 2 credits
Instructor: Carrie Nutsch

Principles of Macroeconomics
This course includes organization and operation of the American economy, supply and demand analysis, money and banking, employment and aggregate output, public finance, and economic growth.

ECON 201—N01V
Tue., Thu. June 8 to July 13
6-9:50 p.m. North Side Center
$300 plus books 3 credits
Instructor: Dr. John Hurley

Advising Available at the North Side Center
If you are a new student, a Liberal Arts major, or undecided about your major:
You can use our videophone to speak to an advisor in the CSI Advising Center or in the Financial Aid office. You will be able to see the advisor and vice versa as you speak on the telephone.

Beginning Algebra
This course is designed to develop basic algebra skills. It covers positive and negative integers, exponents, fractions, first degree equations and inequalities in one variable, polynomials, evaluation of algebraic expressions, factoring, rational expressions, radicals, an introduction to graphing in a quadrant system, and operations on sets. Prerequisite: MATH 009/015 with ‘C’ grade or better, or placement test score.

MATH 025—N01V
Mon., Wed., Fri. June 7 to July 30
2-3:50 p.m. North Side Center
$300 plus books 3 credits
Instructor: James Dawson

Math in Modern Society
This survey course provides an opportunity to acquire an appreciation of the nature of mathematics and its relation to other aspects of our culture. The course is rigorous but not rigid and applies mathematics to real-world problems. Prerequisite: MATH 010/025 with a grade of ‘C’ or better, or placement test score.

MATH 123—N01V
M., Tu., W., Th. June 7 to July 29
10-11:20 a.m. North Side Center
$300 plus books 3 credits
Instructor: Roger Caresia

Basic English and Writing
This course is an introduction and review of basic skills and strategies needed for writing in college and the workplace, with emphasis on grammar and usage, sentence construction, and paragraph and essay development, preparing students for ENGL 090. Prerequisite: placement test scores and a departmental writing sample.

ENGL 015—N01V
M., Tu., W., Th. June 7 to July 29
7:30-9:20 a.m. North Side Center
$400 plus books 4 credits
Instructor: John Hughes

Prealgebra
This course emphasizes prealgebra concepts and is designed to equip students with skills necessary to be successful in MATH 025 Beginning Algebra. A review of arithmetic operations with whole numbers, integers, and rational numbers integrating algebraic concepts such as vocabulary, simplifying variable expressions, solving linear equations, order of operations, exponents, radicals, ratios and percentages. Prerequisite: placement test score.

MATH 015—N01V
Mon., Wed., Fri. June 7 to July 30
12-1:50 p.m. North Side Center
$300 plus books 3 credits
Instructor: James Dawson

Practical Writing
This course is designed to equip students with skills necessary to be successful in MATH 025 Beginning Algebra. A review of arithmetic operations with whole numbers, integers, and rational numbers integrating algebraic concepts such as vocabulary, simplifying variable expressions, solving linear equations, order of operations, exponents, radicals, ratios and percentages. Prerequisite: placement test score.

MATH 009/N015 with ‘C’ grade or better, or placement test score.

MATH 025—N01V
Mon., Wed., Fri. June 7 to July 30
2-3:50 p.m. North Side Center
$300 plus books 3 credits
Instructor: James Dawson

Adult Enrichment Courses
Register for Adult Enrichment courses by following the instructions located on the back cover.

Crochet Rag Rugs
“Waste not, want not.” Join the trend of learning the basic skills of our pioneer ancestors by making something out of everything. Using recycled bed sheets, instructor June Peterson will lead you through the process of crafting these unique rugs that will add colorful, durable accents to your home. Students must bring a size N or Q crochet hook, 2-3 used cotton or blend sheets, scissors, and needle and thread. A basic knowledge of crochet is required. (3 sessions)

XHEC 040 — N01
Tuesday June 8 to 22
6:30-8:30 p.m. North Side Center
$24 Instructor: June Peterson

Wash(er) and Wear
Do your part for recycling and clean out your tool box at the same time in this fun new class. See how easy it is to create beautiful, unique necklaces using those flat, round metal things with holes in the middle—washers. With just a little instruction, you’ll have fun making two, reversible necklaces that look like they came out of a fashion magazine. Course fee includes all supplies. (1 session)

XART 039 — N01
Thursday June 17
6-7 p.m. North Side Center
$20 Instructor: Jackie Bellamy

Relief Sculpture Tiles
Come and sculpt with clay and discover the artist within you. Instructor Jillian Greenawalt, owner of Green Goat Paint & Pottery, will guide you through the basics of working with clay as you turn a two-dimensional tile surface into a 3-D work of art for your home. The first two classes will cover transferring images to clay, sculpting, and finishing techniques for a series of tiles, 6 to 8 inches in size. In the third class, you will learn to apply glazes. Bring your ideas and let the sculpting begin. All materials and firing costs are included in the course fee. (3 sessions)

XART 034 — N01
Thursday June 10 to 24
5-7 p.m. Green Goat Pottery
121 3rd Ave. East, Gooding
$45 Instructor: Jillian Greenawalt

Beginner’s Spanish
Do you want to learn a little Spanish, or maybe you just need a recap of what you already know? Even if you’re a “first-timer,” you’ll be surprised at how quickly you can learn to speak some basic Spanish. Instructor Holli Storey will introduce key verbs and phrases, greetings, numbers, foods, and other vocabulary that will allow you to carry on a basic conversation. You’ll have fun in this relaxed atmosphere as you learn to express yourself in the Spanish language. (12 sessions)

XLNG 004 — N01
Mon., Wed. June 7 to July 21
6-8 p.m. North Side Center
$75 plus book Instructor: Holli Storey

Cake Decorating
“Let them eat cake,” but let them decorate it first. Instructor Jillian Greenawalt will teach you some of the creative techniques used in decorating like the basket weave, writing and drawing, borders, plus a variety of flowers. You’ll also get some frosting recipes and try your hand at adding filling to cakes and cupcakes and torting cakes. You must bring a cake of your choice to each class to practice on. A $15 supply fee will be paid to instructor at first class session. Don’t miss out on this fun and tasty way to get creative with cake. (4 sessions)

XHEC 003 — N01
Mon., Tues. June 7 to 15
6-8 p.m. Green Goat Pottery
121 3rd Ave. East, Gooding
$30 plus supplies Instructor: Jillian Greenawalt

Computers Made Simple 2
Technology changes quickly so why not join us for this new class and stay current? This class picks up where the first one left off and covers advanced Word and Excel, plus an introduction to Power Point. This will all be done in a relaxed, non-threatening environment with help from instructor Wendy Willet. (4 sessions)

XCMP 049 — N01
Monday June 7 to 28
7-8:45 p.m. North Valley Academy
906 Main St., Gooding
$60 Instructor: Wendy Willet

Healthy Lifestyles
Obtaining a balanced lifestyle that supports health and well-being can be a stressful endeavor. This new course will take you on a three-week journey of practical steps to better health. Instructor Wendy Willet will discuss choices and changes, balanced food choices and balanced life choices. (3 sessions)

XHEC 014 — N01
Mondays June 14 to 28
5:30-6:30 p.m. North Valley Academy
906 Main St., Gooding
$30 Instructor: Wendy Willet

From Flab to Fab
The weather has changed but have you? Get out of your rut and make this your healthiest and happiest summer yet. There’s an endless amount of information out there about diet and exercise, but it doesn’t have to be that complicated. By learning to read food labels to calculate calories and incorporating exercise to burn them, you’ll discover how to reach your desired weight or percentage of body fat. Both men and women will benefit from the experience of instructors and NASM Certified Trainers, Aaron and Kelly Herrgesell. They will introduce different cardio workouts and present a demonstration of body fat analysis to get you started on the road to fitness. (1 session)

XPED 037 — N01
Wednesday June 30
6-8 p.m. North Side Center
$20 Instructors: Kelly and Aaron Herrgesell
Mommy and Me in the Pool
Discover a great way to spend time with your baby, get him or her used to the water and get some exercise at the same time. Instructor Brandee Sabala will lead you through aerobic exercises in the pool, using your baby as added weight. You need to bring a floatable device for your baby that allows them to sit in the middle with their feet hanging down freely. The class is designed for babies up to 24 months of age. And don’t be fooled by the title; the class isn’t just for Moms. (10 sessions)
XMSC 062—N01
Mon., Wed. June 28 to July 28
9-10 a.m. Gooding Rec. Indoor Pool
$60 Instructor: Brandee Sabala

Run for Your Life
Run for your life and get healthy. Whether you are just getting started as a runner or are training for a race, you’ll benefit from this class. All levels of fitness are encouraged to join us and start your day out right. Everything from stretching, breathing, and form to setting personal fitness goals will be covered. Learn about the various running apparel that’s available, how to recognize and prevent injury, and walking or jogging intervals. Pace work on the track and distance work on a road course will also be introduced. You’ll create a running workout that fits your own schedule and abilities. (12 sessions)
XPE 020—N01
Tues., Thurs. June 8 to July 15
6-7 a.m. ISDB Track, Gooding
$50 Instructor: Amy Brinkley

Golf Clinic
Are you struggling with your golf game? PGA professional Troy Vitek will help you improve your consistency from one shot to another by teaching you the proper techniques of a full golf swing using both irons and woods. You’ll also get instruction on your short game and practice chipping and putting around the green. Class size is small so you will get plenty of one-on-one instruction and practice time. Please bring your own clubs and join us on the course. (1 session)
XPE 002—N01
Friday June 25
9:30-11:30 a.m. Gooding Golf Course
$24 Instructor: Troy Vitek

Fly Fishing Basics
Get hooked on fly fishing so you can enjoy the great outdoors. Instructor Scott Stanton will introduce you to all the introductory aspects of this exciting sport as he covers the type of rods, lines, flies, knots and accessories that you’ll need to land the big one. After learning about the knots used in this sport, you’ll have plenty of hands-on, knot tying practice. Then using your own fly rod, reel and line, you’ll get a brief overview of casting. Scott will even share some of his favorite places to fly fish, both near and far. (1 session)
XHOB 023—N02
Thursday July 8
6:30-8:30 p.m. North Side Center
$35 Instructor: Scott Stanton

Handgun Safety
Get informed and learn what your rights are when it comes to carrying a gun. This three-session preparatory class, instructed by Sgt. Dave Kiger, will cover current Idaho laws, some other states’ gun laws, and safety issues. Range practice on Saturday will focus on trigger control, target alignment and holster requirements. Following range practice, Sgt. Kiger will provide you with a Certificate of Completion and all the forms you need to apply for a concealed weapons permit at the sheriff’s office. You must furnish your own gun on Saturday that is in compliance with concealed weapon laws, along with ammunition, safety glasses and ear protection. Students must be age 21 or older to participate. (3 sessions)
XHOB 009—N01
Tues., Thurs., Sat. June 22 to 26
8 a.m.-noon North Side Center
$60 Instructor: Sgt. Dave Kiger

Trapshooting
In this introductory class, open to novice through experts, you’ll increase your knowledge of gun safety and learn about the fit and firing of a shotgun. After instruction, you’ll have fun improving your skills by shooting at clay targets. The lessons, clay targets and 50 rounds of ammunition are included in the course fee. This is a great sport for women and men of all ages; and children age 12 and up are welcome to sign up with an adult. Bring your own shotgun, or let us know if you need to borrow one from the club. (1 session)
XPE 017—N01
Wednesday July 14
7-9 p.m. Gooding Trap Club
$35 Instructor: Rod Thomas

Fly Casting Basics
Been fishing around for some help with fly casting? Idaho licensed fly-fishing guide Chad Chorney will teach you how to cast a fly rod, with an emphasis on hands-on instruction. You will learn various types of casts and how they apply to local waters and conditions. The class will feature ample time for practicing the techniques you’ll learn, plus time for questions on any aspect of fly casting. The instructor will have various types of fly rods, reels, lines, and flies on display. Please feel free to bring your own fly rod, reel, and line; otherwise, the instructor will have several available for use during class. You may even end up with a complimentary fly or two! (1 session)
XHOB 023—N02
Tuesday July 20
6-8:30 p.m. North Side Center
$40 Instructor: Chad Chorney
Let's Golf
Tee it up and take a swing!
Learn golf etiquette, rules of the game, and the correct way to swing a golf club in this introductory class. After class, enjoy a free hamburger and get all the information you need to sign up for the summer Junior Golf program. Clubs will be available if you need one. **Space is limited; you must register by May 19th.**

YPED 004—N01
Friday, May 21
10:30 a.m.-noon
Gooding Golf Course
$16
Instructor: Troy Vitek

Yoga for Kids
Hey kids, are you like the Energizer bunny that just “keeps going and going?” Why not learn to focus that physical energy into yoga postures and movements? In this class you’ll develop flexibility and balance and discover how breathing and body awareness can help you become your best, both physically and mentally. Wear comfortable clothing and get ready to s-t-r-e-t-c-h. **(8 sessions)**

YPED 021 — N01
Tu., Thu., July 6 to 29
9-10 a.m.
North Side Center
$38
Instructor: Brandee Sabala

Balloon Blast
Ballies? Swirlies? What are those? Find out in this balloon class where you’ll have a blast learning all the tricks to making crazy balloon hats and animals. Once you learn the basics, the fun never stops. You may purchase a supply of balloons and a handy pump at the end of the class for $6 to continue the fun at home. **(1 session)**

YART 033 — N01
Fri., June 18
11 a.m.-noon
North Side Center
$10
Instructor: Suzie Heller

YART 033 — N02
Fri., July 23
11 a.m.-noon
North Side Center
$10
Instructor: Suzie Heller

Science Camp — Gross Anatomy:
Bones, Body and Biology
Eeeewwww...have a bunch of fun as you literally sink your hands into organisms, organ systems, tissues, and cells in this year’s science camp. Through these hands-on explorations plus demonstrations and experiments, you’ll discover how amazing and cool your body is! **(3 sessions)**

YSCI 012 — N01
Ages 6 to 9
W., Th, F., July 21-23
9-11:30 a.m.
North Side Center
$40

YSCI 012 — N02
Ages 7 to 9
W., Th, F., July 21-23
1-3:30 p.m.
North Side Center
$40

Kids’ Clay Fun
Squish it, pinch it, coil it, paint it. These are a few of the things you’ll do in this fun class. Get creative as you hand build and sculpt clay into a variety of vessel projects with the help of instructor Jillian Greenawalt. You will learn about design techniques in clay, coil building, pinch pots, and painting on clay. All supplies are included in the course fee. **(3 sessions)**

YART 032 — N01
Ages 6 to 14
Fri., June 11 to 25
2-4 p.m.
Green Goat Pottery
121 3rd Ave. East, Gooding
$45
Instructor: Jillian Greenawalt

Life Skills Training
Learn skills that you can use throughout your whole life. With the help of instructor Heidi Diehl, you’ll learn how to feel good about yourself, an easy way to help you make the best decisions, how to be a good friend, how to find a good friend, and more. You’ll play fun games, make great projects, and perform skits with your classmates. The skills you learn will make you a stronger person and allow you to stay healthy for the rest of your life. If you have taken this class before, register again—there will be new information! **(5 sessions)**

YMSP 011 — N01
Ages 8 to 12
M, Tu, W, Th, F, June 21-25
1:30-3:30 p.m.
North Side Center
$8
Instructor: Heidi Diehl
Digital Photo Camp
Are you tired of always being the one to say “cheese”? Do you want to see what it’s like on the other side of the camera? Explore the exciting world of photography in this two-day camp. You’ll have fun learning basic camera terms, what all the buttons and settings do on your own camera, how to compose and take your best pictures both indoors and out, and how to download, edit and prepare your pictures for display. You and your friends will even get to say what you like and don’t like about each other’s photos. Tips will also be given on how to enter your best work at the Gooding County Fair. You must bring a digital point-and-shoot camera with a removable card and cables to attach to the computer. Please bring a lunch on both days. (2 sessions)
YART 005—N01
Tues., Wed., June 8 & 9  Ages 9 and up
9 a.m.-2 p.m. North Side Center
$40 Instructor: Jenny Koski

Necklace Art
In this fun new class you’ll learn how to make cool necklaces out of things you can find in the garage, specifically washers. You know those flat, round, metal things that come in different sizes and have a hole in the middle? Those are washers! But no one will know that after you add your creative touch. You’ll have fun making two reversible necklaces that you’ll be proud to wear. All supplies are included in the course fee. (1 session)
YHOB 007—N01
Tues., July 6  Ages 11 and up
6-7 p.m. North Side Center
$20 Instructor: Jackie Bellamy

“Tee” Party
Get started on your way to becoming a fashion designer or just have fun being creative. Using three of your own T-shirts, you will cut, clip, tie and pin as you customize the shirts into your own style. Instructor Suzie Heller will introduce you to 12 make-over techniques that you can use to “deconstruct” your shirts into unique fashion statements. “Fringe benefits,” “ruffle and tumble,” and “shoulder slash” are just a few of the techniques available to try. Please bring fabric scissors and three T-shirts that you want to make-over. (1 session)
YART 012—N01
Fri., June 18  Ages 11 and up
1-2:30 p.m. North Side Center
$15 Instructor: Suzie Heller

Bowling
Bowling is back at the Ranch Bowl in Gooding and once you play this fun game, you’ll be hooked!

Tween’s Rockin’ Bowl and High School Rockin’ Bowl
The Ranch Bowl in Gooding is alive and well, and the place to be. Instructors Hal Nicholas and Wayne Bellamy will teach you the rules of the game, bowling etiquette, and tips on how to throw strikes. Whether this is your first time or you’ve bowled before, you’ll have a ball playing this life-long sport. For your third game, the place really gets rockin’ as the lights go out and the music starts. You’ll also get a small drink and candy from the Ranch Bowl’s snack bar, and get all the information you need to sign up for the summer bowling league. The course fee includes shoe rental. (1 session)
YPED 013—N01
Friday, July 16  Ages 6 to 10
10 a.m.-noon Ranch Bowl, Gooding
$10 Instructor: Wayne Bellamy

Kids’ Rockin’ Bowl
In this class, kids ages 6 to 10 will learn the rules of the game, how to hold the ball, bowling etiquette, and get some tips on how to throw strikes. After the group lesson, the place really gets rockin’ as the lights go out and the music starts. You’ll also get a small drink and candy from the Ranch Bowl’s snack bar once the group lesson is finished. Please wear socks. (1 session)
YPED 013—N01
Friday, July 16  Ages 6 to 10
10 a.m.-noon Ranch Bowl, Gooding
$10 Instructor: Wayne Bellamy

Let’s Face It
Drawing faces can be a real challenge, but you don’t have to shy away from drawing people anymore. You’ll be smiling as you learn to draw faces with expression in this new class. With instructor Tracie Anderson, you will discuss and experiment with drawing facial expressions and see how shading brings them to life. As you create great self portraits, you may discover a whole new you! (4 sessions)
YART 004—N01
M.,Tu.,W.,Th., June 14-17  Ages 10 to 18
9-10 a.m. North Side Center
$25 Instructor: Tracie Anderson
