Beat those dog days of summer

TAKE A CLASS!
Dear Friends,

The seasons pass so quickly. This year’s mild southern Idaho winter has wound down, and before we know it, the dog days of summer will be upon us.

Take advantage of the warmth of the summer sunshine and the longer days before this season, too, fades away. Enroll in an academic class to get a jumpstart on your fall semester. Improve your physical fitness with a tennis or running class. Experience a new hobby such as soap making, wool felting, or cowboy poetry. Explore all the options we offer in the pages ahead.

Summer the perfect time to engage children in hands-on learning activities. Choose from tennis camp, summer nature crafts, yoga, science camp and more.

Summertime is precious. Whatever your interests, don’t let the opportunities of summer pass you by.
