Discover the social and cultural impact of illustrating comics, the general fundamentals of drawing, and of course how create your own DIY awesomeness! Get ready to break out the pencils, sharpies, ink and photocopiers, while spending time around like minded folks while making some awesome art. All skill levels welcome. A list of supplies will be provided at registration.

**Broadway in Mini-Cassia**  
Get an exclusive behind-the-scenes tour of one of the area’s majestic theaters - then attend a performance of a show! This class includes a mini Theater: 101 classroom discussion a couple of days before the night of the performance. Then on the evening of the show, see the recent renovations, get a sneak peek at the cutting edge production technology, and even go backstage. This is your chance to learn more about the special role theater plays in our community and experience first-hand the reasons each theater is an acclaimed destination location. Fee: $15 per tour

**King Fine Arts Center (Burley) - Into the Woods**  
Course Code: XTRP 001 M01  
Day: Mon/Wed  
Date: Feb 22 & 24  
Time: 6:30 - 8pm  
Location: Mini Cassia Center TBA  
Instructor: John Paskett
A once-beautiful witch curses a baker and his wife, rendering them childless. In an attempt to reverse the spell, they venture into the forest to find the ingredients that will reverse the spell and restore the witch’s beauty: a milk-white cow, hair as yellow as corn, a blood-red cape, and a slipper of gold. During their journey, they meet Cinderella, Little Red Riding Hood, Rapunzel and Jack, each one on a quest to fulfill a wish.

**Howell's Opera House (Oakley) - Something's Afoot**  
Course Code: XTRP 001 M02  
Day: Tue/Thu  
Date: Mar 1 & 3  
Time: 6:30 - 8pm  
Location: Mini Cassia Center TBA  
Instructor: John Paskett  
Fee: $15

*Something's Afoot* is a zany, entertaining musical that takes a satirical poke at Agatha Christie mysteries and the musical styles of the English music hall of the 1930's. Ten people are stranded in an isolated English country house during a raging thunderstorm. One-by-one they are picked off by fiendish devices. Watch as the bodies pile up in the library and the survivors frantically race to uncover the identity of the culprit.

**Bollywood Bracelets**  
Course Code: XART 039 M01  
Day: Tue  
Date: Feb 16  
Time: 6 to 8pm  
Location: Mini Cassia Center TBA  
Instructor: Diane Gause  
Fee: $45

The beauty of this design is in its simplicity, each bracelet is one stitch, one bead and two colors. A little instruction and the right materials are all it takes to master the technique of making the popular and colorful Bollywood-inspired bracelets. Leave class with a design tray plus all the supplies to get started.

**Enhanced Concealed Weapons**  
Course Code: XHOB 009 M01  
Day: Sat  
Date: Mar 12  
Time: 8am to 5pm  
Instructor: Deputy Tony Bernad  
Fee: $79

Learn the basics of safe handgun ownership and get informed about the rights and responsibilities you have if you carry a handgun. This class will cover basic safety, ownership laws, and the requirements for an enhanced concealed weapon license in Idaho. You will be provided with a Certificate of Completion and all the forms you need to apply for a concealed weapons permit at the sheriff’s office, upon successful completion of the class. You must furnish your own handgun that is in compliance with concealed weapon laws, 100 rounds of ammunition, safety glasses, and ear protection. Morning class instruction will take place at the Cassia County Sheriff’s Office Training Room – 129 East 14th Street in
Burley. Afternoon range instruction will take place at the shooting range in Declo (participants will need to arrange their own transportation). *Students must be age 21 or older to participate.*

**Intro to Minecraft for Adults & Parents**  
*Course Code: XCMP 199 M01  
Day: Tue  
Date: Mar 31 - Apr 7  
Time: 6 to 8:30pm  
Location: Mini Cassia Center TBA  
Instructor: Rob Wilson  
Fee: $29*  
Parents, your kids love it - but chances are you probably don't know that much about it (at least as much as you would like). Minecraft is a constantly generating open-world immersive sandbox of creativity waiting to be explored. Become a competent player by learning the in-game mechanics and general layout, discover the educational value of building in Minecraft, and explore mods in a multi-player setting. Leave this course more knowledgeable, confident, and ready to connect with your favorite little player.

**Beginning Digital Photography**  
*Course Code: XART 038 M01  
Day: Tue  
Date: Apr 3 - 24  
Time: 6 to 9pm  
Location: Mini Cassia Center TBA  
Instructor: Shea Emory  
Fee: $79*  
The world of digital photography may seem overwhelming, but it doesn’t have to be. In this course, students will learn how to utilize the power of their camera to take compelling images at a relaxed pace. A few things we will cover include: photography terms, exposure, composition techniques, and basic editing. Students will also gain feedback on their images as the course progresses. Whether you’re the official photographer at all gatherings or you’ve never taken your camera out of the box, you’ll be able to say goodbye to boring snapshots forever with this class.

**Car Care Basics**  
*Course Code: XMSC 007 M01  
Day: Sat  
Date: Apr 30  
Time: 10am to noon  
Location: Mini Cassia Center TBA  
Instructor: Angel Barboza  
Fee: $119*  
Don’t get stranded on the side of the road, keep your vehicle running by learning about proper automotive upkeep and roadside repairs. Learn how to test tire pressure and change a flat, jump start your car's battery, change fuses, and check your vehicle's fluids. Even the mechanically-challenged will
leave this class more familiar basic auto maintenance and better prepared for problems. All genders and abilities welcome.

**Portrait Photography on a Shoestring Budget**  
Course Code: XART 038 M02  
Day: Mon, Wed, Sat  
Date: May 2 - 7  
Time: Mon & Wed 6 to 9pm, Sat 10am to 3pm

You don't need the latest gear and fanciest equipment to produce a great portrait. This course is designed for anyone interested in the basics of portrait photography without spending a lot of money - whether they are familiar with all their camera settings or not. Students will learn composition, natural lighting, and simple editing techniques to make your photos pop. On Saturday, we'll workshop with live models to practice what you've learned - don't forget to pack a lunch. Please bring your camera, camera manual, SD card, and USB cord to class.
